

## BAR CODE SCANNERS

A SPECIAL WAY TO REWARD YOUR TOP CUSTOMERS.

### OVERVIEW

Foodservice Rewards® now offers the ROV Bar Code Scanner:

- It's easy to use. Operators simply place the cursor in the multi-code scan page of the Web site and quickly enter in multiple Reward codes.
- It's a special way for your sales force to reward your top customers.
- It's customizable with your 4-color logo - giving your brand a persistent presence at your customer's computer.

### FEATURES & BENEFITS

#### Easy.

One button "point and click" operation. Little or no training required.

#### Flexible.

Connects easily via included USB cable to Windows or Mac OSX desktop, notebook or Tablet PCs. No software installation needed.

#### Intuitive.

LED signals good scan...or "beeps" if re-scan needed.
